How to pay

Invoices are sent to you by email, usually within 2 days of your consultation.

If you do not receive anything, it may be because we have the wrong email address or check your junk folder.

Payment please settle on-line by Card or BACS.

If you need to settle your invoice by cheque or cash, please let us know.

Third party payments.

For patients who request their invoice is sent to a third party, such as an insurance company or employer, it is important you seek a guarantee of payment from them.

If a third-party declines payment, settlement will be the direct responsibility of the patient.

The hospital will charge you separately for medications
