

Practice Leaflet 2021

We are now offering telephone, video and face to face appointments to book directly online

We usually see our patients at the Nuffield Hospital in Cambridge, but at the moment, space is minimal there.

4 Trumpington Rd, Cambridge CB2 8AF

Luckily we have managed to create a branch surgery in Great Shelford where we also can see patients.

3 Breaks House, Mill Court Hinton Way, Great Shelford Cambridge, CB22 5LD

All appointments can be booked online.

We read all the emails sent to enquiries@cambridgeprivatedoctors.co.uk daily. Amanda, Monique and Suzanne, our fantastic admin team, are there every weekday morning and will respond to any queries you may have.

A smear taken at the Nuffield will be charged £155 for the 30-minute doctor appointment. There will be time to discuss other women's health issues, such as contraception.

Your Smear will be sent for cytological analysis at the cost of £74.22. If you wish to have the Smear tested for HPV infection, there will be an additional £78.30 charge for doing so.

At Breaks house we will also charge £155 for the doctor's appointment

These smears are sent to a London lab, where they are tested primarily for HPV at the cost of £75.60. If the Smear were positive for HVP, it would be immediately sent for cytology at no additional charge.

If you wish to have both tests done initially, the lab will charge for both tests at the cost of £166.25.
