

Practice leaflet

Temporary measures during the Covid Pandemic

We are now offering telephone, video and face to face appointments to book online consultation to book directly online

We usually see our patients at the Nuffield Hospital in Cambridge, but at the moment, space is minimal there. Luckily we have managed to create a branch surgery in Great Shelford where we can see patients. These can be booked online. Appointments at the Nuffield must be requested by emailing us

We read all the emails sent to enquiries@cambridgeprivatedoctors.co.uk daily. Amanda and Monique, our fantastic admin team, will respond to any queries you may have.

We do have very limited access to some urgent blood testing and imaging but can offer home testing kits for those that can cope with taking their own finger-prick bloods. We can arrange delivery of medications directly to you

Please contact us if you have any queries

How to pay

Invoices are sent to you by email, usually within 2 days of your consultation.

We are mindful no-one receives an invoice with unexpected charges. We always discuss the costs of tests and encourage you to ask if unclear

Payment

Please settle on-line by Card or BACS.

If you need to settle your invoice by cheque or cash, please let us know.

Third party payments.

For patients who request their invoice is sent to a third party, such as an insurance company or employer, it is important you seek a guarantee of payment from them prior to your consultation.
